Chappell

Had fun with this funky setting for my round robin blocks. All fabric from my stash. Yeah!

Joyce Halderman

This is the postcard
I received from
Denise Kester.

Renita Ubel

This is a reduced version (1/4 size) of Elizabeth Hartman's SPECTACULAR SAVANNAH.

It's my January UFO finish.

Kathy Pribbenow

This is a set of stockings given for Christmas. I made for a family friend and his new bride.

Kathy Pribbenow

This T-shirt quilt was made for one of my friend's sons who is going through treatment for an aggressive form of leukemia.

Kathy Pribbenow

It was given to him for his
birthday in November.

Kathy Pribbenow

This T-shirt quilt and pillow was done for a friend and daughter who lost their husband/father in a car accident.

Kathy Pribbenow

The hearts and the cording
on the pillow are made from
his ties.

Kathy Pribbenow

I started this 3-D
wallhanging before
Valentine's Day last year
but didn't finish it until a
week afterwards.

Kathy Pribbenow

This year it gets to hang
on the wall!

Marge Banks

Our apologies to Ruth
Powers.

Technical difficulties
prevented us from including
her contribution.
